## "GARDEN DELIGHTS"

Jo Reitze has been painting the famous cool climate Cloudehill Garden in the Dandenong Ranges in all light, and all seasons for over a decade. Enjoy a delight to the senses and meet the artist and Botanica Tours founder, author and experienced gardener Judy Vanrenen OAM for an informative Q&A on gardens, tours, Cloudehill and Chelsea, who will also have copies of her three stunning books available for signing at the Exhibition Opening. Revel in a garden party to also recognise 20 years of sculpting for Will Wilson of Willie Wildlife Sculptures.
